

PASSPORT PHOTOGRAPHS

****Please note that the Japanese passport photograph size is different from U.S. requirement.**

NUMBER AND RECENCY: Two identical photographs of the passport bearer must be presented with the application. They must have been taken within 6 months of the date of the application and portray a good likeness of and satisfactorily identify the applicant.

POSE AND ATTIRE: We welcome photographs that depict the applicant as relaxed and smiling. Photographs should be taken in normal street attire, without a hat or head covering of any sort. Dark glasses are not acceptable unless a necessity for medical reasons.

TYPE AND QUALITY: Photographs must be in color, must present a clear, full front face view with a white plain background and must be printed on thin, non-glossy paper.

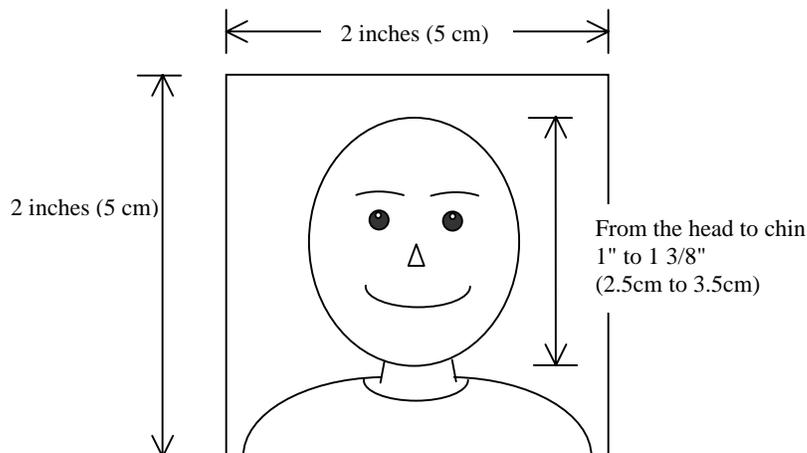

SIZE: Photographs must be 5 centimeters by 5 centimeters (2 inches square) in size. The image size measured from the bottom of the chin to the top of the head (including hair) must be from 2.5 cm (1 inch) to 3.5 cm (1 3/8 inches). (**See diagram below)

Please print your full name on the reverse side in the center of two photos.
